

MERCHANTVILLE 8TH GRADE HAUNTED HOUSE □

Friday, October 18 & Saturday, October 19

(Rain dates the following weekend)

Merchantville Elementary School has a 30-year tradition of creating and running a Haunted House at the school. It all started in the basement of the school largely run by a cherished teacher and her husband in conjunction with the 8th grade students. Over the years, the event has grown significantly and continues to be run by the 8th graders. It has become the primary funding source for the 8th grade class trip, graduation ceremony, class gift and graduation party.

The Haunted House has also been one of the key Halloween attractions within **Monsterville** a.k.a. Merchantville. The attraction brought in **over a thousand visitors** last year and is one of the traditions that keeps our small town a beloved place to grow up.

We are asking our local businesses to consider either renewing their sign from last year for \$100 or, if a first-time advertiser, a new sign for \$150. The signs will be displayed by the entry area leading up to the Haunted House for all to see. This is a great opportunity to promote your business and while helping to keep the 8th grade tradition alive.

- For first time advertisers, please email a PDF of your business logo and information below to merch8thgrade@gmail.com no later than **Friday, October 4th**. Please note, if you do not submit a logo, a sign will be made with your business.
- Repeat advertisers, simply submit payment by **Friday, October 11th**.
- Checks can be made out to **Merchantville School Eighth Grade Class** and mailed to 41 W. Walnut Ave., Merchantville, NJ 08109.
- Donations can also be made via Venmo to **@Merchantville-EighthGrade**. Please add business name in the memo area.
